Land with 6428 m2

Situated in a quiet location and overlooking the majestic mountain, this plot is perfect for those looking for a getaway away from the hustle and bustle of the city.

This land is inserted in two zones, Forest Spaces and Agricultural Spaces. Both refer to compatible uses, both allow the construction of the first home, proven through a certificate of list of assets to be issued by the tax service.

The PDM (Municipal Master Plan of Ponta do Sol) allows the construction of single-family houses with the following construction standards:

- Construction Index: 0.5
- Max construction area: 200m
- Building height: 8.50m
