3+1 bedroom villa with magnificent views

Recently renovated where internal and external painting, replacement of appliques and other small restorations were carried out, this villa stands out for its good quality of construction, areas and distribution, being a turnkey house.

This property offers its residents maximum comfort and functionality, it is distributed over three floors as follows:

The ground floor consists of a large garage for 6 cars, with a bathroom and storage space under the stairs.

The 1st floor leads us to the large living room with fireplace, with a large door-window that allows access to the outside and the transmission of plenty of natural light to its interior.

The spacious kitchen with dining space, equipped with hob, oven, extractor fan, microwave and fridge, all of which are electric, and door with access to the outside that connects to a large enclosed barbecue with laundry space.
